Most people try to keep their sex lives private. And for them, that's probably a good thing because who know who they're fucking. In my business, I can have my pick of the most handsome men and prettiest women. Could there be anything better?

Cala

And I've had them both, and like them both. There is a time and place for each one and I like to pick it.

I like to make my guy happy, but I just don't swallow. I did when I was thirty, but over time, I gagged more and more until I just stopped doing it. I think that guys really don't mind because if they can see their cum on my face, that will make them happy.

A big hello to all my fans! I've done this special photo shoot just for you. After almost one hundred adult movies, I retired from the business, but every once in a while I want to let my hair down and play around in front of the camera again. It gets my juices flowing, so I hope you like what you see.

A photograph of a man and a woman posing in a sauna. The man is on the left, shirtless and muscular, with his hands on the woman's back and arm. The woman is on the right, also nude, leaning forward with her head tilted back and eyes closed. They are positioned on a white towel on a wooden bench. The background is a wooden wall.

I don't always look try to look glamorous.
I like to wear sweats and comfy clothes.
You can be just as sexy in them too, but
the camera wants hot and sultry. So I
guess you could say I have the best of
both worlds. Even though it's been a while
since my last movie, I still love posing for
my fans. You are the best and I adore all
of you.

Offer not valid for outside of the US

Dear editor,

I'm a 55-year old plain-clothes security guard at a swanky Atlantic City Casino-hotel. My job is to be sure that the patrons are safe, enjoying themselves, and don't do anything wrong on the property. Usually my nights are pretty quiet and tonight was no exception. I went outside during my break for a smoke and I heard female voices moaning and groaning just up over my head. I took a few steps back and saw two twenty-something ladies had gotten carried away on the second floor balcony of the hotel. It was a warm night and they had been sitting outside and they had both been drinking and started kissing in the moonlight. I watched quietly as one thing led to another and soon they were both naked.

Well, this was a violation of hotel policy so I went up to their room... 25C. I knocked hard on the door figuring they were still on the balcony. They stayed silent hoping I would go away. Five min-

To 50+,

Your last issue of 50+ was utterly amazing. I cannot believe how hot the cover girl, Candy Mason is, and what a fucking hot scene she did with the two guys. For me, I have never seen anything like that before. I can just imagine my wife sitting on one guy and blowing me at the same time, or the other way around. It really doesn't matter because that ain't happening. That's got to be why we have magazines like this. Because we men need the visual stimulation The scene was so hot that I just can't get it out of my mind. I think I may have to ask my wife if she'd consider doing a three way for my 55th birthday. I don't really care if it's with another man or woman. The whole point is that my fantasy can become a reality.

— Cody S., St. Paul, MN

utes later I opened door with the help of a master key. I found both of them sitting on the bed, naked. When I entered, they knew they were in trouble. Officer Harrison, I introduced myself. I explained that I had seen them kissing and fondling each other on the balcony. I told them they could be arrested and charged with public indecency and lewd and lascivious behavior.

They looked at each other. "Isn't there anything we can do?" the blonde asked softly as she played with her long blonde hair. "I'm LouAnne." she said as she stood up giving me a great view of her spectacular body as she slowly walked over to me. She had nice firm 36C boobs, a flat stomach, full hips and a great round ass. She stepped up next to me and ran her hand up my chest and grazed her fingernails along my earlobe. I stood there and let her slip her hands under my shirt. Then, to my surprise, she slowly unbuttoned it and dropped it to the floor. LouAnne fell to her knees and un-

fastened my pants as I unbuckled my belt. She pulled my pants off and took my rapidly growing cock into her small hand.

I looked on as she started licking my hard cock like a sucker. I looked over at her friend also naked on the bed and motioned her over. "Don't just sit there." I said to her. "Get over here and help your friend out." It was not a request but rather an order. LouAnne looked up at me and nodded as she continued to lick my big

etly knelt beside her girlfriend. LouAnne pointed my big dick at her mouth as a lust filled expression overtook her pretty face. "Do it baby." she said. Her voice was thick with lust as she stared at my cock just inches from her mouth. "You heard your friend." I said. "She obviously wants to see you with my dick in your mouth."

She tentatively reached out and touched my big hard cock with her hand as LouAnne groaned her

hand on the back of her friend's head and gently pushed forward guiding her mouth to my big throbbing rod. She again stuck her tongue out and licked more precum from the head as LouAnne moaned loudly as she lowered her head to my ball sac. LouAnne began to furiously rub her slick wet pussy. Her lips parted wider and she took my dick in my mouth. Meanwhile, her girlfriend's tongue ran along the ridge of my long, hard shaft as precum continued to leak steadily from my big flesh torpedo.

It seemed like both ladies were beginning to enjoy themselves as their heads bobbed over and under my engorged cock. Their lips were stretched wide and their hands were wrapped tightly around the slippery shaft. "You like it, don't you baby?" LouAnne whispered to her girlfriend as she noticed the enthusiasm with which she was sucking me. "You like having a cock in your sexy mouth, don't you baby." She wrapped her fingers around my hard dick and stroked it as she continued to blow my big cock. Her head bobbed over my dick and her hand pumped my rock-hard

shaft as they worked furiously to make me cum. "Your girlfriend is quite a cock sucker." I said to LouAnne and all she could do is moan. Her lust had overwhelmed her as she furiously rubbed her engorged clit with her left hand while her right hand stroked and squeezed my cock.

"Ladies, I'm getting close." I grunted as she massaged my balls with her free hand. "You want to drink my seed don't you?" She moaned around my cock as her hand pumped my cock faster and faster. She wanted me to fill her mouth with my delicious cream. She was wanton with desire as she sucked my hardened cock. My balls tightened in her hand and she took my willing cock down her throat as I started to spurt. I could see her eyes water as she deep throat my spurting dick. My thick creamy goo slid down her throat as she gulped and swallowed what she could. I came hard and shot copious amounts of cum into LouAnne's mouth and down her girlfriend's throat. I watched as my man-juice filled her mouth and ran down her chin despite her efforts to swallow it all.

dick. I could sense they did not want to go to jail, and certainly not for a sex crime. "Come on girl." I said in a deep baritone, "Stop hesitating and start sucking." She qui-

approval. She felt my hardness as blood coursed through it. A drop of precum drooled from the big purple head and she stuck out her tongue to taste it. LouAnne put her

I pushed her off my sensitive softening dick and walked to the bathroom without saying a word. When I came back out, LouAnne pushed me down on the bed and straddled my hard cock and rode me hard to a body shaking climax. Her tits bounced and she screamed out in ecstasy as her pussy contracted around my spasming dick. LouAnne collapsed on top of me as her climax subsided. My cum covered cock softened inside her as we lay on the bed. Her girlfriend reached over and grabbed my softening cock and began licking it again. I did not know if she now liked sucking cock or just wanted to taste LouAnne's cum on my dick. In the end, it didn't matter. I went back to the bathroom and cleaned up. I dressed in front of the two ladies and told them to keep their affair away from the public. I headed for the door, opened it and looked back at them.

"Thanks for a good time, ladies. If you want more cock, here is my card." I said with a smile as tossed a business card on the chair and walked out the door.

— Morgan, Atlantic City

Dear 50+ Editor,

I've been a loyal reader for many years and am finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl pictures. It's nice to see older people doing things most of us only can dream about.

To that end, I just want to comment about Monika's pictorial. I love older women and she is the cat's meow. The cap, her leopard outfit and her enthusiasm for sex at her age made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers.

If you could find it in your heart, and in your library, can you print just one more picture of her. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see her-photo and it will remind me of her in the last issue. Thanking you in advance for the pic.

— Charles, Sparks, NV

Dear 50+,

I do not have great story for you but I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading **50+** until one day when he inadvertently left an issue in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like the eighteen year-olds in other mags.

They get me hot and by the time I finish looking them I have to masturbate right away. So I sat

on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't even get me off that fast. Darn, I hear him at the door. So keep up the great work, and please don't change a thing.

— Laura, Aurora, IL

Like most women, I like variety when it comes to sex. In the men I'm with; in the positions we try; and of course, the places we do it. I like quickie sex, and long, slow love-making. Anything that's different is right by me. Once I get the urge to do it, there's no stopping me. I'm like a speeding, horny train that can't be stopped.

The first time I decided to try anal sex, I practiced a few times with a dildo, but I felt it wasn't right. So I convinced my husband at the time (yeah, like he needed convincing) that I wanted to do it. I don't think I ever saw his cock get hard as fast. When we did it, I loved it and now it's a part of my sex life no matter who I'm fucking. Even if it's you.

When they say a picture is worth a thousand words, it surely is in my case. When asked if I like sex, I just pull out a copy of this magazine (from an earlier layout) and show them.

I like it doggy style. The other positions are good too, but being on my knees with the guy's pounding my pussy from the rear is such a turn on. My best orgasms cum this way.

A woman with dark, wavy hair is lying down against a bright red background. She is looking towards the camera with her mouth open, showing her tongue. She is holding a dark, cylindrical object in her mouth. Her right hand is raised, with fingers spread, near the object. She is wearing a purple, textured garment around her waist. The lighting is bright, highlighting her skin.

Hi guys, it's been a while since I've had sex. Too many distractions and kinda let myself go. But I'm ready again and I just shaved my pussy for you and thought you might want to see. It's really pretty, smooth and silky. I rubbed lotion all over to soothe it. Now it's time to give my pussy and ass a workout.

A couple days ago I had a big hairy bush, so thick I couldn't see my clit. I asked my girlfriend over to help me, so she got out the scissors and trimmed most of it away. Then I lathered up and she shaved me really close so you could get a close look and see my beautiful cream pie.

she needed delivery asap how to leave a tip

WHEN A SERVICE IS PROPERLY PERFORMED, IT'S ALWAYS BEST TO ACKNOWLEDGE IT

"I'll deliver this one", Skip said to his brother as he hopped out of the truck with the package.

"You wait here, this may take a while....."

"No problem" replied Gary, "I was just gettin' into the music anyway, take your time..."

"Good" thought Skip, he knew this would be a 'special' delivery and he didn't want his brother screwing things up. He rang the door bell. He waited and rang again, still no answer. Suddenly the door opened and there she was. "Oh, I didn't expect this package so soon. Let me get my purse. Won't you come in? Bring the package out to the pool, I will meet you there."

Carefully he made his way through the house to the patio. She was sun bathing in her private back yard. A picnic table and a few benches were to the left, and on the right, a chair was set just right for the angle of the sun, the lotions within reach and the radio was playing softly. He stood there feeling a little awkward until she appeared with her wallet. Her tits giggled as she wrote out the check. She leaned forward as she sat at the table and Skip could see clearly down between her tits. He pondered the softness his dick would feel if he could stick it down there. "Here

you are", she startled him as she suddenly looked up. "Before you go, would you do me a favor? Would you spread some lotion on my back? I can never reach there. I'm not keeping you from your deliveries, am I?"

"N-n-no", he stammered as she boldly took off her blouse. Two of the most perfect tits he had ever seen were now unabashedly well within reach. He trembled as he poured the lotion into his hands. She sat on the edge of the table, her feet on the bench, and leaned forward and he started to spread the lotion. He allowed his hands to slide around to her luscious tits. She certainly put up no resistance so he went

right for the nipples. They firmed up rock solid when he touched them. She chirped and her chest lurched forward as he did so. As he was massaging her upper arm, he realized she was massaging his crotch with her hand. His other hand then went for the lotion,

pointed the plastic bottle, squeezed and he squirted some lotion onto her stomach. He went directly for the panty line, slipped under and found her pussy to be shaved smooth. He massaged her pussy lips with lotion, occasionally slipping his fingers into her tight hole. She was so turned on at this point, he could

This time she was at a good angle that he could easily slip his cock down her throat deep enough that his balls went right up to her nose.

easily press two fingers in with only mild resistance. With two fingers deep inside, he went for her clit with his thumb. She had worked his buttons open and was massaging his cock through his underwear.

He slipped out of his sneakers and dropped his pants with complete abandonment. His 8" cock danced up and down, side to side and tantalized her until he resumed the lotion massage. As he did, she turned her head to face his crotch and he parked his blood gorged cock between her lips. She flexed her tongue to meet him and slathered it in saliva. Her lips closed around the firm cleft in back of the head and she deliberately tightened her lips there. They both could feel the growing hardness of his cock. Suddenly she stopped sucking and squirmed to the end of the table and dropped her head back over the edge. He easily pictured what she wanted and walked around to meet her. There she was, at the perfect height, lips to crotch and once again he parked his cock in her. This time she was at a good angle that he could easily slip his cock down her throat deep enough that his balls went right up to her nose. Her throat was silky smooth and extremely hot. She closed her lips to get a strong hold on it. She held the position as he fucked all the way in then all the way back out again. He arched his back and fucked in a rhythmic motion. All the way in, and then all the way out, very slowly, getting it totally soaked in saliva. So much so that he almost came. He pulled out and squeezed the tip of his cock to stop the process. Almost too late, but it stopped. They both spent a few seconds to catch their breath.

He certainly did not want to cum now, not before he had the chance to fuck her tits. Soon he was chewing her nipples and massaging her breasts. Slowly he moved around to mount her. Soon he was straddling her stomach with his cock resting between her tits. He held then pushed around it and started a slow forward and back motion. Their smoothness against his dick was incredible. He pushed forward, his balls touched her tits and she licked the tip. Pulling back, the head rode down in the valley and the cleft just in back of the head rubbed her mounds. Faster then

slower, he controlled the motions. Then he moved around to fuck them from the other angle. He was straddling her face and fucked down her tits. Then she did something he never imagined. She was licking his asshole. Electricity shot through him and he almost came again. He leaned forward and started licking her pussy and soon they were in a 69 position for a mutual suck.

He then walked around to her spread and inviting legs. He moved the two benches so she would have them to rest her feet on, besides, this way her pussy was at just the right angle for a good fuck. He started licking her smooth and hot thighs, then slowly moved up to the crack of her ass and up to her clit. It was now swollen and very hard. Now he was ready for her. He stood up and she was at the perfect height for him. He stood there for a few seconds slowly plowing around her lips with his cock head. Up, down, around in circles, he let the head soak up the cream flow. It almost slipped in and he felt the tightness of it. He let it slide up ward to feel the lips on the underside of his cock. His balls tickled her ass as they

bumped. He loved the hardness of her pussy muscles as the underside length of his cock rode over them. He held his cock and focused it into her hole. The tightness prevented him from slipping in easy. A little more pressure and the tip slipped in. More cream oozed out around his cock. With a deliberate slow-

ness he penetrated her, savoring the intense heat. His cock felt as if it was being sucked in. Soon he was fully planted in her. His balls rested on her ass and her pussy gripped at the base of his cock. Slowly he sawed his cock back and forth. She grabbed his ass as he fucked her, her nails left scratch marks on his ass cheeks.

In the meantime, Gary had been waiting in the car and wondered why it took his older brother so long to deliver a package. He hears some grunts and goes to the fence, finding a small hole in it. He now realized that Skip was delivering quite a different package than originally planned. From his vantage point behind the fence, he had quite a view.

Skip was banging her now, the intensity of the fuck was greater than any he could recall. It was combination wild abandonment of being totally naked, out in the wide open space of the pool, and an unbelievably good looking woman. Faster and faster his well lubricated cock zipped in and out. Occasionally it slipped out and once again he was slide fucking her crack. She reached down and guided it back in without breaking his pistoning action.

She reached down and jerked him quickly as he pulled out. Then he fucked back in, to the hilt again. His hairs ground into her shaved pussy. He arched and pushed in farther than he had ever pushed before. She held his balls and pressed in on his vein in back of them. He shot his first load deep in her and quickly pulled out to spray her tits. He landed a few shots in her face, and a few more on the table. Then she took his cock and swirled it around her pussy and over her clit as she went into the throes of her orgasm. She held his cock and once again pointed it into her pussy. He followed suit and continued the fuck. The sensitivity of the cock head was so intense he squealed but continued to fuck. Her pussy was now well lubricated by the first shoot of his load.

Gary entered and watched the action in the yard. He was as hot as they were. He lumbered forward with throbbing cock in hand. Panting, Skip explained to her who Gary was and again collapsed into her luscious tits. Gary walked over to them and started feeling her tits. She recovered her breathing, she rolled her head to start sucking Gary's cock. Skip brought his hand around and started feeling her ass. Gary did

the same but found her pussy. Soon they had fingers up inside her.

"Hmmm, she mumbled, maybe now I can be fucked with two cocks at once. She was lying on the table with legs well spread as Gary approached her. Both of their cocks were hard as rock. "Ooooh..." she moaned as she felt their fingers penetrate her. Slowly at first then a little faster. As Skip felt her asshole loosen, he stuck in two fingers, then three. She could not resist the temptation to lean forward and suck his cock. She licked his balls and the whole length of his cock. She held their cocks in full contact with her mouth. Then she held both cocks together slowly stroking them. The heads swelled up as she linked the pre-cum from the holes. She tried to suck both of them at the same time but ended up doing one then the other.

Soon they were soaked with saliva enough for the double fuck. She climbed on top of them and straddled the two fine strapping young boys. Lowering herself, they worked their cocks into her pussy and asshole. Soon they were fully embedded in her and she did all the motion now. In full control, she worked her own orgasm. She purred as she scalded them with a blast of cream. She worked a circular motion to feel their cocks in areas of her pussy and ass that didn't normally get stimulated. Again she soaked the boys with cream. Faster and faster she bounced on the dual cocks.

The three gasped faster and faster as they worked to their communal cum. Soon the three were squealing as she controlled the action. Gary shot first, deep in her pussy and Skip soon followed and shot a full load up her ass. Totally exhausted, they just stayed in their positions and rode out the waves of heated orgasm. They must have stayed there for about 5 minutes until they started to feel the coolness of the afternoon breeze chill them. She then lifted herself and the two cocks flopped out of the holes. An abundance of cum flowed out also.

"Well, boys, do you think that is a sufficient tip for the delivery?" she quipped.

Taking a deep breath, Gary said that he wasn't sure he could take this type of tipping from every delivery. But they all agreed, there has to be another delivery sooner or later and they would certainly be looking forward to it.
